

Attendance Policy Schools

Purpose

In accordance with the [Education Training and Reform Act 2006 \(Vic.\)](#) (the Act) and the [Education and Training Reform Regulations 2017 \(Vic.\)](#), school attendance is compulsory for children and young people aged from 6 to 17 years unless an exemption from attendance has been granted for absence and [Exemption from School Attendance or Enrolment](#), Department of Education and Training (DET), 2021).

Whilst ensuring student attendance at school is a legal obligation of parents/guardians/carers, supporting students to attend school each day is the shared responsibility of all parents/guardians/carers, students, the school and the wider community.

School attendance is important as it maximises life opportunities for children and young people by providing them with education and support networks. Positive engagement with schooling enhances academic and wellbeing outcomes for children and young people ([eXcel: Wellbeing for learning in Catholic school communities](#)). Attending school every school day for the whole day enables students to participate in the school's educational program as well as develop their social skills. Regular attendance enables the school to:

- plan an organised educational program that is delivered in a consistent way and has continuity
- facilitate shared student learning experiences that support the educational program
- monitor student progress and adjust the educational program to meet student needs. All schools must maintain attendance records, identify and follow up unexplained absences and develop procedures to support and maintain student attendance.

Scope

Details and procedure within this policy are applicable to schools and students enrolled in a Melbourne Archdiocese Catholic School (MACS).

All schools must have documented procedures for monitoring school attendance.

Principals should contact the MACS Regional General Manager for assistance in addressing complex attendance and exemption matters.

Definitions

Approved remote learning

Where a school fully or partially moves to a model of remote learning that has been authorised by the MACS Director, Learning and Regional Services.

Attendance

A student is considered to be in attendance at school when onsite, in MACS approved remote learning and/or involved in an offsite curriculum program or other activity organised by the school (for example an excursion or camp).

A student is also considered to be in attendance when the student is engaged in a re-engagement program or another school part time to make up full time attendance and the schools or settings have

agreed the time fractions, allocation of funding (if appropriate) and the student's Personalised Learning Plan.

MACS school or school

A school which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by MACS directly or through MACSS (as the context requires). References to schools or MACS schools also includes boarding premises of schools operated by MACS and specialist schools operated by MACSS.

Melbourne Archdiocese Catholic Schools Ltd (MACS)

MACS is a reference to Melbourne Archdiocese Catholic Schools Ltd, and /or its subsidiaries, MACSS and/or MACSEYE (as the context requires).

Melbourne Archdiocese Catholic Specialist Schools Ltd (MACSS)

Melbourne Archdiocese Catholic Specialist Schools Ltd, a wholly owned subsidiary of MACS, established to conduct and operate specialist schools.

Parent/guardian/carer

Includes a guardian/carer and every person who has parental responsibility for the child including parental responsibility under the *Family Law Act 1975 (Cwlth)* and any person with whom a child normally or regularly resides.

Unexplained or unapproved absences

A principal can approve or not approve any absence, based on the requirements of the *Education and Training Reform Act 2006 (Vic)*, an individual school policy or on a case-by-case basis.

The Act provides some examples of what a reasonable excuse is for the purposes of explaining a school absence and includes, amongst other considerations:

- Illnesses and accidents
- Unforeseen and unexplained circumstances
- If the absence was a result of complying with another law
- The child is receiving distance education through a registered school
- The child is undertaking approved education, training and/or employment
- The child has been suspended or negotiated transfer/expelled
- The child is attending or observing a religious event or obligation.

Unexplained Absence

A principal will record an absence as unexplained if no explanation about the absence is given to the school by the parent/guardian/carer of the student.

If the parent/guardian/carer does not contact the school to provide an explanation on the day of the student absence, the school must attempt to contact the parent or legal guardian either by phone or in writing and seek a clarification for the absence.

If no contact can be made with the parent/guardian/carer of the child within 10 days, the absence will be recorded as an unexplained absence and a noted will be made in the child's file. A parent/guardian/carer can contact the principal at any time after the recorded absence to provide an explanation.

Unapproved Absence

In general, a principal may record an absence as unapproved when no reasonable explanation has been given for the student's absence. If a reason is given for a student absence is not approved by the principal then the school will notify the parent/guardian/carer in writing.

Exemption

The *Education and Training Reform Act 2006 (Vic)* allows exemptions from school attendance and enrolment to be granted in certain circumstances, where the student:

- is a child who turns 6 (compulsory school age) while attending kindergarten
- will be participating in approved education or training, or employment, or both, on a full time basis
- is employed or seeking employment during school hours in the entertainment industry.

An exemption from school attendance and enrolment may also be granted where leaving school is in the best interests of the student.

All applications for exemptions are considered on a case by case basis, with the student's best interests as the guiding principle for decision-making. In making a decision, the potential benefits or negative consequences of granting the exemption to the student's educational progress, wellbeing and development are also considered. A student must continue attending school until an exemption is granted.

Note: No exemption is required if a student is not of compulsory school age (six to 17 years of age).

Exemptions, including written approval for student attendance and enrolment to be exempt or reduced to less than full time, can only be authorised by the MACS Regional General Manager in conjunction with the school principal.

Refer to the Department of Education and Training (DET) [Exemption from school attendance and enrolment](#) guidance for further information.

School Attendance Officers

In the context of attendance, DET School Attendance Officers are empowered through the Act to issue School Attendance Notices, School Enrolment Notices and Infringement Notices.

Refer to DET [Infringement notices](#) guidance for further information.

Principles and Procedures

All schools must maintain attendance records, identify and follow up unexplained absences and develop procedures to support and maintain student attendance.

All schools must have documented procedures for monitoring and recording school attendance. Schools must record student attendance twice per day in primary schools and in every class in secondary schools and must record, in writing, the reason given for each absence. This is necessary to meet legislative requirements, discharge schools' duty of care for all students, and meet Victorian Curriculum and Assessment Authority (VCAA) requirements (for VCE students). All registered schools must ensure their system for recording student attendance meets the requirements above.

Principals should contact their MACS Regional General Manager for assistance in addressing complex attendance and exemption matters.

Responsibilities for school attendance

Parent/guardian/carer

Parents/guardians must enrol a child of compulsory school age at a registered school and ensure the child attends at all times when the school is open for instruction, unless exemption from attendance has been granted, or the student is [registered for home schooling](#) and has partial enrolment. For absences where there is no exemption in place, the parent/guardian must promptly provide an explanation on each occasion to the school.

Students

Students are expected to attend the school in which they are enrolled during normal school hours every day of term, unless there is an approved exemption from school attendance for the student, or the student is registered for home schooling and has partial enrolment.

Principal

The principal must ensure:

- the school has an attendance policy
- attendance records are maintained – daily attendance of each student enrolled at the school is recorded at least twice a day in primary schools and for every class in secondary schools (and that records are kept in accordance with applicable recordkeeping standards, including the Public Record Office Victoria Recordkeeping Standards)
- any absences of a student from school, including classes, are identified
- reasons for each student's absence are provided and recorded in writing
- explanations for absences that are provided, are a reasonable excuse for the purposes of their responsibilities under the Act
- follow up any unexplained absences of a student by contacting the parent/guardian/carer of the student as soon as practicable on the same day
- parents/guardians/carers are notified promptly regarding a student's unsatisfactory school or class attendance. If, upon being notified of their child's absence or contacted to seek an explanation, a parent/guardian/carer reports their child was not living with them on that day, the school should ensure they notify another parent/guardian/carer who was responsible for ensuring the child attended school on the relevant day/s
- if contact cannot be made with the parent, contact should be made with the emergency contact/s nominated on the student's file held by the school
- information regarding a student's unsatisfactory attendance at school or classes is recorded on their student file
- parents/guardians/carers are informed of their responsibilities around attendance
- initiatives are implemented which aim to promote parental/guardian/carer awareness of the importance of children attending school every day
- attendance improvement strategies, interventions and levels of adjustment are implemented where the absence is having a significant impact on a student's educational achievement and development, which may include Attendance Student Support Group, Personalised Learning Plan, Student Absence Learning Plan and Return to School Plan
- strategies are implemented for supporting attendance of students in out-of-home care, experiencing homelessness, Aboriginal and Torres Strait Islander (ATSI) families, overseas students, students with disabilities, students with cultural and linguistically diverse backgrounds and newly arrived families
- The MACS Regional General Manager is to be advised prior a referral to a DET School Attendance Officer when a student has been absent from school on at least five full days in the previous 12 months without a reasonable excuse for absence
 - refer to the Every Day Counts flowchart on the CEVN webpage:
<https://cevn.cecv.catholic.edu.au/Melb/Student-Support/Attendance>)

- implementation of referral processes to Child FIRST or Child Protection, MACS and the DET School Attendance Officer where required.
 - refer to Child Protection and Child Safe Standards (PROTECT).

Guidelines for Absences

Schools

A student who is participating in one of the following activities must be recorded as not physically present at the school site but will not be considered absent from school:

School activity

A student will not be considered absent when they are participating in an authorised activity for school purposes. The activity may be off school grounds. Activities may include students performing in the school choir, band or dance group, students participating in a youth parliament or council or a student undertaking community service.

Excursion

A student will not be considered absent when they are participating in an excursion which occurs outside the school grounds and is conducted, organised and/or approved by the school. Excursions could include part-day, day or multi-day class visits to venues outside the school or school camps.

Off campus activity

A student will not be considered absent if they are participating in an authorised activity that is away from the school campus. These activities may include flexible arrangements, attendance at a TAFE or other training provider course, or participation in a school-based apprenticeship or traineeship. These activities will be regular and ongoing in nature.

Natural disaster

A student will not be considered absent if they are unable to attend school due to an extreme weather event or other natural disaster. This code may be used whether or not the student is continuing with school work while absent from school, and may be used for full or part-day absences.

Sport

A student will not be considered absent when they are representing their school, district, region, state or country at a sporting event approved by the school.

Work experience

A student will not be considered absent when they are participating in a work experience program approved and organised by the school. Work experience programs are available for students 14 years or older. Schools must ensure the appropriate work experience agreements have been completed before students undertake work experience.

The following circumstances absences will be considered reasonable where an excuse has been given:

Illness

It is reasonable that a child may be absent from school when they are genuinely too ill to attend.

On any single day of absence due to illness, or within two days of the student's return to school, a parent/guardian/carer should provide the school with an explanation for the absence, in line with the schools agreed processes for notifying of student absence. This may take the form of a written explanation note containing the student's name, date/s of absences and reason for absence, a verbal explanation through either a phone call or visit to the school, or a medical certificate.

If a child who is prevented by illness from attending school for a period longer than 10 consecutive school days, the MACS Regional General Manager (or delegate) has the power to grant an exemption from compliance with the requirements of compulsory schooling or compulsory participation.

Infectious or contagious disease

It is a reasonable excuse for a child to be absent from school if the child is, or is a member of a class of persons, that is subject to a direction or order given about an infectious or contagious disease or condition.

Medical or dental treatments or procedures

It is reasonable for a student to be absent to attend a medical or dental appointment. This should be documented through the provision of a written or verbal explanation from a parent/guardian/carer.

Sport

Principals should use their professional judgement to determine if it is reasonable for a student to be absent from school to participate in a sporting event where they are not representing their school, district, region, state or nation, taking into consideration the type of event and the organising sporting body.

Suspension

A suspension is a reasonable excuse for absence and the following applies:

- if a student is suspended for five days or less the principal must take reasonable steps to ensure the student is given school work to complete during the suspension
- if a student is suspended for more than five days, the principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension
- if the student is suspended with a recommendation for negotiated transfer or expulsion, the principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension.

Apprentice or trainee through the Victorian Certificate of Applied Learning (VCAL) or a vocational education and training program (VET)

It is a reasonable excuse for a child to be absent from school if an arrangement has been made through the VCAL or a VET program.

Funeral

Attendance at a funeral or to attend to Sorry Business or Sorry meetings may be considered as a reasonable excuse for absence. Parents/guardians/carers should be encouraged to ensure their child misses as little school as possible.

There may also be circumstances where a child is kept out of school due to grief of a close family member. In such circumstances, the school should work with families to encourage them to have the child attend school to maintain a sense of normalcy. These situations should be handled with respect and sensitivity and should be underpinned by the interests of the child.

Legal

It is a reasonable excuse for a child to be absent from school where the child is required to attend court or fulfil other legal requirements.

Holiday

Parents/guardians/carers should be encouraged to plan holidays for students during gazetted school holiday periods and pupil free days. Principals should use their professional judgement in determining whether a holiday is a reasonable excuse for a student absence, taking into consideration family circumstances, distance to be travelled, length and frequency of holidays. A principal has the delegated power to grant an exemption from the requirement of attendance at a school where the exemption will apply for less than one school year.

School work will not be provided when a parent/guardian/carer chooses to take a holiday during school time.

The following circumstances will be considered absences for which there is NOT a reasonable excuse given:

Unexplained absence

When no explanation for a student absence has been offered to the school by the parent/guardian/carer, or the student if they are living independently.

Leisure activities

Undertaking a leisure activity such as shopping, visiting friends and relatives, fishing or camping, is not considered a reasonable explanation for an absence from school.

Any other reason for absence

The principal should use their professional judgement in determining whether other reasons given by the parent/guardian/carer, or the student if they are living independently, are reasonable explanations for a student's absence. If the reason given is not a reasonable excuse the principal should document the decision and record the student as absent.
